

SACCARAPPA CEMETERY
N43*40.409 – W70*21.95

Land for this cemetery was purchased in 1827. Many stones listed on the 1962 survey by Mrs. Lottie B. Clark Gorrie are either missing, broken or too worn to read; those names are marked by asterisks (*). The cemetery is still active and maintained by the City, however it has had many incidences of vandalism.
